

AUGUST 2019

# YOUTH MINISTRY

## MISSION TRIP RECAP

We brought 15 students safely out to the Blackfeet Nation in Montana and back in July. It was an exhausting 10 days and we returned emptied of energy but filled with a passion for God's work that we're excited to bring back to our local community. God was at work in the hearts of each of our students and it was a great experience! We were stretched outside of our comfort zones but saw some tremendous growth in the group.

We also got to experience the great vastness of our God through the mountains and scenery. A couple highlights from the trip were our day in Glacier National Park and the Big Daddy Weave concert.

## MUUUCE 2019

We're sending 8 students and 2 adults to the Northwest Conference's annual MUUUCE (Most Unbelievable Ultimate Urban Camping Experience) from August 1-3, so please be in prayer for safety! While there our students will have the most fun possible packed into 3 short days (including a carnival, Valleyfair, and a stop at Big Fun Factory), as well as worship and powerful speakers designed to help students grow in their faith while also having fun.
