

YOUTH MINISTRY

JUNE 2019

THANK YOU!

Thank you to everybody who has supported us in our fundraising efforts throughout the last school year. As our mission trip to the Blackfeet Nation is approaching, we're blessed to be able to share that every student attending the trip has their trip completely covered through the generous giving of our congregation. Thank you so much!

NEW INSTAGRAM ACCOUNT

Students, keep your eyes out for our new youth group Instagram account! Starting this summer we'll use it to get information out on upcoming events and things going on as well as little bits of encouragement. Our handle is [nlcovyouth](https://www.instagram.com/nlcovyouth) so find and follow us!

NEW SUMMER FORMAT

As we're moving into the summer of youth ministry the format will change pretty dramatically from what we've been used to. Rather than meeting every Wednesday night at church for lessons, we'll meet in and around the community for fun and fellowship. Some nights will be Wednesday nights, but there will also be things that pop up organically like a fire or tubing. Some events will be for high schoolers only, some for junior highers only, and some for both. Watch your phone and the Instagram account for updates!
