

ONLINE GIVING | <http://www.nlcovchurch.org/ways-to-give.html>

1. Follow the link above and click the “Online Giving” box in the bottom right corner under Online Giving to be directed to our secure giving page through Breeze where you can make a one-time donation or set up recurring donations. At this time we are only accepting ACH bank transfers (eChecks).

Breeze is the company that we use for our church-management software. Breeze manages online donations for thousands of organizations and our church giving page through Breeze is encrypted to protect your personal information. Only the amount of your gift (not the bank account information) and the fund(s) chosen are tracked in our software so that you can receive a giving statement for tax purposes.

2. Once you click the “Online Giving” box, you will be directed to our secure giving page as shown below:

The screenshot shows the online giving interface for Evangelical Covenant Church. At the top, there is a green header with the text "Evangelical Covenant Church". Below the header is a form with the following fields and options:

- A text input field for the amount: "I'd like to give \$" followed by a box containing "100.00".
- A dropdown menu for the fund: "to General Fund" with a downward arrow.
- A link: "add gift to another fund".
- A text input field for "bank routing number".
- Two text input fields for "bank account number" and "retype bank account number".
- Two text input fields for "name" and "email address".
- Four text input fields for "street address", "city", "state" (with a dropdown arrow), and "zip".
- A dropdown menu for "one time gift" with a downward arrow.
- A text input field for "Comments (optional)".
- A green button labeled "Donate Now".
- At the bottom, a security notice: "This secure site is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply."

3. Enter the gift amount.

4. Select which fund the gift should go to (click arrow at right to activate drop-down list of fund options). Click “add gift to another fund” to split your gift over multiple funds.

5. Enter your bank account information, name, email address and address.
