

Watch Bible studies virtually with your friends and family.

Staying connected to friends, family, and small groups has never been easier. Watch content together on RightNow Media with our new groups feature. One person can play, pause, and rewind videos for the entire group. Everyone can use the chat window as the video plays. Use the groups feature to learn, encourage one another, and grow in your faith.

How to Get Started

1

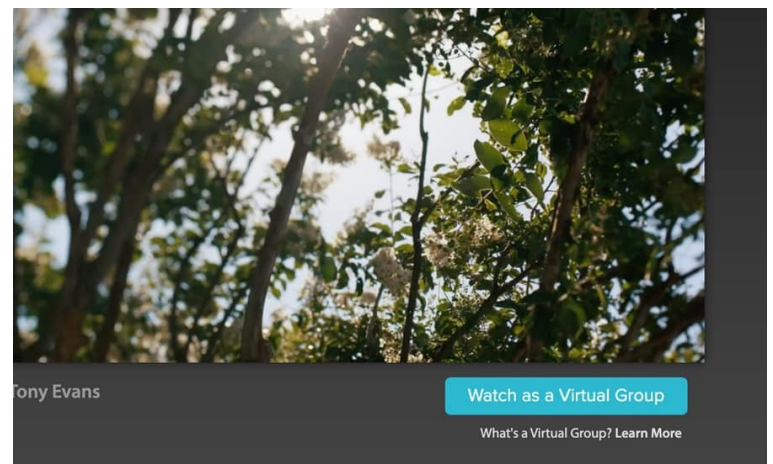

Choose a Bible study session on RightNowMedia.org.

Log in to RightNow Media on your Mac or Windows PC. Choose a video series to watch and select one of the sessions.

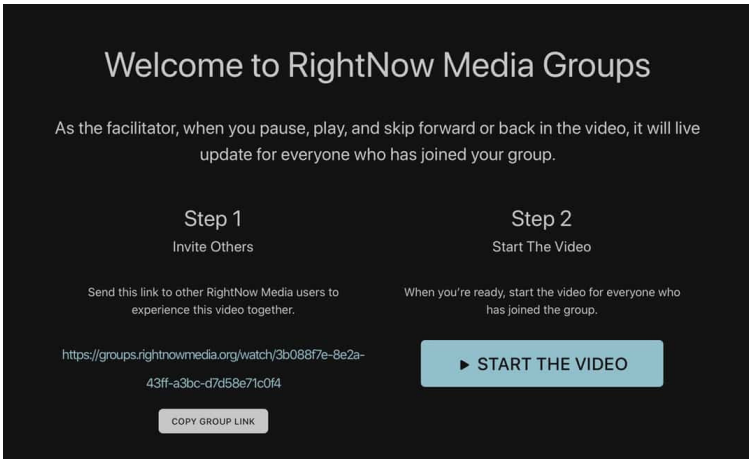

2

Start a virtual group.

To watch virtually with others, click the "Watch as a Virtual Group" button on the bottom right-hand side of the video.

(continued on next page)

3

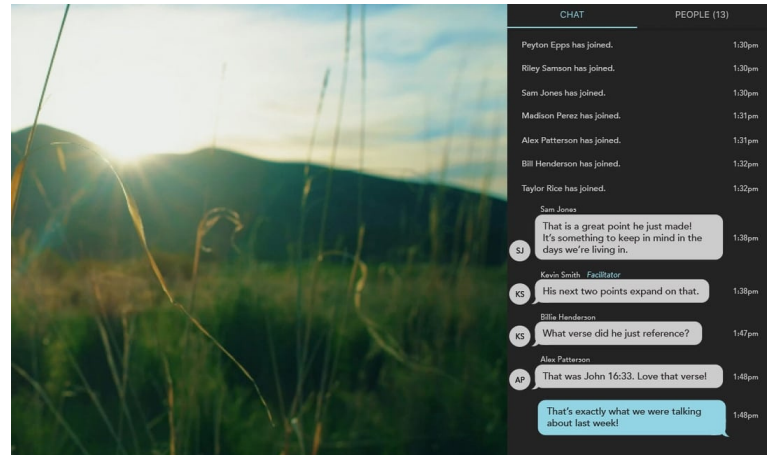

Share the link to watch together.

The page will pop up with a link. Share the link with other RightNow Media users to watch virtually with you.

4

Start watching the session together.

Click on "Start the Video" to begin playing the video for everyone. Coming soon: Use the chat feature to discuss the content as you watch together.

Enrich your group's time together by asking questions, making comments, and having a full discussion when the video ends.
